

Combat Auto Fraud

“Ask me no questions...I’ll tell you no lies”

This is your invitation to attend an ISB-U Education Series Event. This is a series of regularly scheduled training sessions designed to provide professionals with the knowledge and tools they need in conducting claim investigations.

ISB Canada is Canada’s largest supplier of source documents and retrieval services to the insurance industry. ISB specializes in providing a single source for the information and documentation required during the claim handling process. ISB is recognized for having extensive in-house experience and expertise in claim handling practices, claim workflow processes, and claim information.
