

March 3rd, 2011

The ART of Staged MVAs

You will gain valuable knowledge to help you in the fight against those who stage motor vehicle accidents for financial gain. Our lineup of knowledgeable speakers will equip you with real world insight on today's trends in staged motor vehicle accidents. Highlights of the seminar will include:

**Law Enforcement's Viewpoint • Black Box Download • Clues From The Body Shop
Accident Reconstruction • Following The Paper Trail**

Date: March 3rd, 2011

Location: Glencairn Golf Club in Halton Hills

Cost: \$97 (Includes HST)

What you will learn:

- Policing Perspective – Learn what law enforcement is encountering with respect to staged MVAs
- Can the Vehicle Speak to Us? - The data from a car & truck black box will be downloaded and reviewed
- Body Shop Repair – A leading Canadian body shop will present their experiences on how your body shop can help you
- Completing the Puzzle – A prominent accident reconstruction firm will review tools, technology and case studies pertaining to staged MVAs
- Documents – ISB Canada will detail the staged accident paper trail

Who should attend?

- Insurance Adjusters
- Claims Management
- SIU Personnel
- Certified Fraud Examiners (CPE Credit)
- Investigators
- Risk Management
- Insurance Council

Speakers

- IBC – Kirk Quinn – Business of Staged Collisions
- Peel Police Accident Reconstruction – PC Ken Wright – Tools, Trends and the Law Enforcements Prospective
- CARSTAR - Bill Davidge – How can you Body Shop actually help you?
